***Note: All laboratory sciences need to equal four credit hours each and must have been completed no more than five (5) years prior to submitting an application.**

After you attended an information session and if you need academic advising, please contact Tracy Poplasky in the Health Careers Department at (860) 512-2704 or tpoplasky@mcc.commnet.edu to set up an appointment with the appropriate program coordinator.

Fill out an application for general admission to Manchester Community College

Please complete the **MCC Application for Admission only** and return it to the office of admission.

An application can be requested from (860) 512-3210 or by applying online at www.mcc.commnet.edu/admissions/apply.php.

Note: All students are entered as General Studies-Allied Health majors until they have been officially accepted into a health career program.

**Fill out an application for admission to a health career program
at Manchester Community College.**

Complete the **MCC Health Career Application** and return it to the Math, Science and Health Careers Division at
MCC:

Tracy Poplasky
Health Careers Department
Manchester Community College
Great Path, M.S. #17
P.O Box 1046
Manchester, CT 06045-1046

Send your official college transcripts to the Health Careers Department at the above address if you
have attended any other colleges and want to transfer credit.

You must attend an Information Session prior to receiving an appointment to meet with the Program
Coordinator. The Information Session will give you all the information
that you need to successfully apply to a Health Career program.

After the application deadline your supporting documentation (application and official transcripts) will be
forwarded to the review committee for consideration.

If your application is selected, you will be contacted to set up an interview.
Please make sure your contact information on the application is correct.

All applicants will be notified of their status by June 1.

In a typed written response, describe the personal attributes and accomplishments you believe will
contribute most to your effectiveness as an occupational therapy assistant.
